

What is a School-Parent-Student Compact

A School-Parent-Student Compact for Achievement is an agreement that parents, students, and teachers develop together. It explains how parents, teachers, and students will work together to ensure students reach grade-level standards.

Effective compacts:

- Link to goals of the school improvement plan
- Focus on student learning skills
- Describe how teachers will help students develop these skills using high-quality instruction
- Share strategies parents can use at home
- Explain how teachers and parents will communicate about student progress
- Describe opportunities for parents to volunteer, observe, and participate in a partnership that inspires their child to succeed
